

YES, my school is interested in the Wisconsin Electrathon program and would like to be considered for a new Electrathon Motor & Controller.

WEEVA has partnered with the Wisconsin Precision Metalforming Association to offer 2 new Electric Motors and Motor Controllers to NEW or long returning teams in Wisconsin Electrathon. The WI-PMA has donated funds for this purchase to help promote Manufacturing Education in Wisconsin.

Mars ME-0708 Electric Motor

Alltrax NPX-4834 Controller

Restrictions: Teams must abide by the following criteria to be eligible for this donation.

- Teams must commit to Affiliate with WEEVA prior to acceptance of motor & controller
- Teams must be NEW to WEEVA
 - Or returning with a 2 year (or more) absence.
- Teams must commit to build and compete with an Electrathon Vehicle this Spring at a Wisconsin Electrathon event.
 - Failure to comply will result in the return of the donated motor & controller to be re-donated next year.
